

# TABLE OF CONTENTS

## VOLUME 1

<b>1</b>	<b>INTRODUCTION AND SUMMARY.....</b>	<b>1-1</b>
	Purpose and Need Statement	
	California Environmental Quality Act (CEQA) Regulation	
	Public and Agency Involvement	
	Summary Description of Existing System and Program Alternatives	
	Areas of Controversy and Key Issues to be Resolved	
	Summary of CEQA-Required Sections	
<b>2</b>	<b>PROJECT DESCRIPTION .....</b>	<b>2-1</b>
	Introduction	
	Project Location	
	Development of Alternatives	
	System Requirements	
	Existing Recycled Water Storage System	
	Project Alternatives	
	Alternatives Considered but not Carried Forward	
	Measures Included in the Project	
	Emergency Scenarios	
	Cost of Alternatives	
	Employment	
	Cumulative Projects Scenario	
	Required Permits and Approvals	
	Preparers and References	
<b>3</b>	<b>MITIGATION AND MONITORING PROGRAM .....</b>	<b>3-1</b>
	Introduction	
	Compliance with Existing Programs	
	Measures Included in the Project	
	Planning Measures	
	Construction Measures	
	Operation and Maintenance Measures	
	Summary of Mitigation Measures by Alternative	
<b>4.0</b>	<b>ENVIRONMENTAL ANALYSIS INTRODUCTION.....</b>	<b>4.0-1</b>

**4.1 LAND USE ..... 4.1-1**  
Impacts Evaluated in Other Sections  
Setting  
Goals, Objectives and Policies  
Evaluation Criteria with Thresholds of Significance  
Impacts and Recommended Mitigation Measures  
Cumulative Impacts  
Summary of Significant Impacts and Mitigation Measures  
Preparers and References

**4.2 AGRICULTURE..... 4.2-1**  
Impacts Evaluated in Other Sections  
Setting  
Goals, Objectives and Policies  
Evaluation Criteria with Thresholds of Significance  
Methodology  
Impacts and Recommended Mitigation Measures  
Cumulative Impacts  
Summary of Significant Impacts and Mitigation Measures  
Preparers and References

**4.3 GEOLOGY, SOILS, AND SEISMICITY ..... 4.3-1**  
Impacts Evaluated in Other Sections  
Setting  
Goals, Objectives and Policies  
Evaluation Criteria with Significance Thresholds  
Methodology  
Impacts and Recommended Mitigation Measures  
Cumulative Impacts  
Summary of Significant Impacts and Mitigation Measures  
Preparers and References

**4.4 SURFACE WATER HYDROLOGY ..... 4.4-1**  
Impacts Evaluated in Other Sections  
Setting  
Goals, Objectives and Policies  
Evaluation Criteria with Significance Thresholds  
Methodology  
Impacts and Recommended Mitigation Measures

Cumulative Impacts  
Summary of Significant Impacts and Mitigation Measures  
Preparers and References

**4.5 GROUNDWATER..... 4.5-1**

Impacts Evaluated in Other Sections  
Setting  
Goals, Objectives and Policies  
Evaluation Criteria with Significance Thresholds  
Methodology  
Impacts and Recommended Mitigation Measures  
Cumulative Impacts  
Summary of Significant Impacts and Mitigation Measures  
Preparers and References

**4.6 SURFACE WATER QUALITY ..... 4.6-1**

Impacts Evaluated in Other Sections  
Setting  
Goals, Objectives and Policies  
Evaluation Criteria with Significance Thresholds  
Methodology  
Impacts and Recommended Mitigation Measures  
Cumulative Impacts  
Summary of Significant Impacts and Mitigation Measures  
Preparers and References

**VOLUME 2**

**4.7 PUBLIC HEALTH AND SAFETY ..... 4.7-1**

Impacts Evaluated in Other Sections  
Setting  
Goals, Objectives and Policies  
Evaluation Criteria with Significance Thresholds  
Methodology  
Impacts and Recommended Mitigation Measures  
Cumulative Impacts  
Summary of Significant Impacts and Mitigation Measures  
Preparers and References

**4.8 BIOLOGICAL RESOURCES..... 4.8-1**  
Impacts Evaluated in Other Sections  
Setting  
Goals, Objectives and Policies  
Evaluation Criteria with Significance Thresholds  
Methodology  
Impacts and Recommended Mitigation Measures  
Cumulative Impacts  
Summary of Significant Impacts and Mitigation Measures  
Preparers and References

**4.9 JURISDICTIONAL WETLANDS..... 4.9-1**  
Impacts Evaluated in Other Sections  
Setting  
Goals, Objectives and Policies  
Evaluation Criteria with Significance Thresholds  
Methodology  
Impacts and Recommended Mitigation Measures  
Cumulative Impacts  
Summary of Significant Impacts and Mitigation Measures  
Preparers and References

**4.10 TRANSPORTATION..... 4.9-1**  
Impacts Evaluated in Other Sections  
Setting  
Goals, Objectives and Policies  
Evaluation Criteria with Significance Thresholds  
Methodology  
Impacts and Recommended Mitigation Measures  
Cumulative Impacts  
Summary of Significant Impacts and Mitigation Measures  
Preparers and References

**4.11 AIR QUALITY..... 4.11-1**  
Impacts Evaluated in Other Sections  
Setting  
Goals, Objectives and Policies  
Evaluation Criteria with Significance Thresholds  
Methodology

Impacts and Recommended Mitigation Measures  
Cumulative Impacts  
Summary of Significant Impacts and Mitigation Measures  
Preparers and References

**4.12 NOISE ..... 4.12-1**

Impacts Evaluated in Other Sections  
Setting  
Goals, Objectives and Policies  
Evaluation Criteria with Significance Thresholds  
Methodology  
Impacts and Recommended Mitigation Measures  
Cumulative Impacts  
Summary of Significant Impacts and Mitigation Measures  
Preparers and References

**4.13 CULTURAL RESOURCES..... 4.13-1**

Impacts Evaluated in Other Sections  
Setting  
Goals, Objectives and Policies  
Evaluation Criteria with Significance Thresholds  
Methodology  
Impacts and Recommended Mitigation Measures  
Cumulative Impacts  
Summary of Significant Impacts and Mitigation Measures  
Preparers and References

**4.14 VISUAL RESOURCES..... 4.14-1**

Impacts Evaluated in Other Sections  
Setting  
Goals, Objectives and Policies  
Evaluation Criteria with Significance Thresholds  
Methodology  
Impacts and Recommended Mitigation Measures  
Cumulative Impacts  
Summary of Significant Impacts and Mitigation Measures  
Preparers and References

**4.15 PUBLIC SERVICES, UTILITIES AND RECREATION ..... 4.15-1**  
Impacts Evaluated in Other Sections  
Setting  
Goals, Objectives and Policies  
Evaluation Criteria with Significance Thresholds  
Methodology  
Impacts and Recommended Mitigation Measures  
Cumulative Impacts  
Summary of Significant Impacts and Mitigation Measures  
Preparers and References

**4.16 ENERGY ..... 4.16-1**  
Impacts Evaluated in Other Sections  
Setting  
Goals, Objectives and Policies  
Evaluation Criteria with Significance Thresholds  
Methodology  
Impacts and Recommended Mitigation Measures  
Cumulative Impacts  
Summary of Significant Impacts and Mitigation Measures  
Preparers and References

**5 IMPACTS OF COMBINATIONS OF ALTERNATIVES ..... 5-1**

**6 CEQA-REQUIRED SECTIONS ..... 6-1**

**APPENDICES**

Appendix A Agency Response Letters to the Notice of Preparation/Initial Study  
Appendix B Revised Final Screening Report  
Appendix C Cumulative Projects Scenario and Cumulative Projects List  
Appendix D Letter from California Department of Public Health, July 16, 2007  
Appendix E Numeric Water Quality Criteria and Narrative Water Quality Criteria  
Appendix F.1 Biological Resources – Special-Status Plants  
Appendix F.2 Biological Resources – Special-Status Animals  
Appendix F.3 Vegetation Communities  
Appendix G Annual Energy Consumption by Alternative  
Appendix H Traffic Calculations

### **VOLUME 3**

Draft Engineering Report

### **VOLUME 4**

TM 1: Water Reuse System Storage Model Technical Memorandum

TM 2: Geotechnical Evaluation Technical Memorandum

### **VOLUME 5**

TM 3: Site Hydrology Evaluation Technical Memorandum

TM 4: Groundwater Evaluation Technical Memorandum

TM 5: Pump Stations Evaluation Technical Memorandum

TM 6: Basis for Costs Technical Memorandum

TM 7: Regulations and Approvals for Storage Alternatives Technical Memorandum

TM 8: Implementation Evaluation Technical Memorandum
